MassHousing Commits \$7.9 Million in Financing for New, 51-Unit Mixed-Income Rental Housing Community in Revere

The Neighborhood Developers will construct 571 Revere Street, with rental homes for lower- and moderate-income households, including 19 workforce housing units

BOSTON – December 11, 2019 – MassHousing has committed \$7.9 million in affordable housing financing to the non-profit [The Neighborhood Developers](#) (TND) for the construction of the 571 Revere Street in Revere. The MassHousing financing will allow The Neighborhood Developers to construct 51 units of new affordable housing for households across a broad range of incomes, including 19 new workforce housing units.

“By transforming a vacant parcel into a new, modern community of affordable and workforce housing, The Neighborhood Developers will help ensure that a revitalized Revere Beach remains welcoming and accessible to residents of all means,” said **MassHousing Executive Director Chrystal Kornegay**. “TND is a strong, mission-based developer, and MassHousing is pleased to be part of the team making this important project a reality.”

“571 Revere Street is a transit-oriented development; the 51 new affordable homes will not only be steps away from the beach, but also within easy walking distance of the Wonderland MBTA Station and the MBTA 116 bus line,” said **Rafael Mares, TND’s Executive Director**. “This project wouldn’t be possible without MassHousing’s commitment of affordable housing financing and its partnership.”

MassHousing is providing TND with a \$6 million permanent loan and \$1.9 million in workforce housing financing from the Agency’s Workforce Housing Initiative.

In addition to the MassHousing financing, other funding sources include \$9.3 million in federal and state Low-Income Housing Tax Credit equity, \$1.3 million in direct financing from the [Massachusetts Department of Housing and Community Development](#) (DHCD), \$1.2 million in HOME financing from the North Suburban Consortium, a \$206,511 sponsor energy grant loan, \$1.1 million in financing from the [Community Economic Development Assistance Corporation](#) (CEDAC) and \$1 million from the [Affordable Housing Trust Fund](#), which MassHousing manages on behalf of DHCD. Santander Bank will be providing construction financing.

571 Revere Street advances the Baker-Polito Administration’s goal of creating up to 1,000 new workforce housing units affordable to middle-income households through MassHousing’s \$100 million
