**April 9, 2018**

### **Postponed Launch of Titan/MetaWorx**

Due to unforeseen circumstances, MetaSource has postponed the launch of the Titan/MetaWorx website slated for today. We're sorry for the inconvenience this delay has caused. The existing TLCWorx platform will continue to be available.

Every effort is being made to get the site up and running. We will provide updates, as well as a new timeline, as soon as possible.

Thank you for your patience.
