Electronic Submission of Closed Loan Files

Effective July 9, 2018, MassHousing will require the electronic submission of closed loan files to MetaWorx (formerly known as TLCWorx) will only accept documents in electronic format. We will no longer accept paper files after this date. By requiring electronic documents, our loan review process will become much more efficient and cost effective for our partner lenders.

Please re-visit [HO Announcement- 2017.09 for our Electronic Document & Delivery Requirements](#). We have also updated the following sections of our Seller Guide to include instructions on uploading documents and acceptable image types ([Section 7.3.2](#)) and to provide additional detail on our Record Retention Policy ([Section 2.9.4](#)).
